

HYBRID CONFERENCE

A SOLUTION FOR EVENTS IN EXTRAORDINARY CIRCUMSTANCES

VIRTUAL TV STUDIO	REAL-TIME AUDIENCE VOTING	VIRTUAL EXHIBITIONS	ONLINE TALKS
STREAMING	3D TECHNOLOGY	INTERPRETATION HUB	WELL-MAINTAINED SPACES
ONLINE CHAT	REMOTE CONNECTION WITH AUDIENCES	ONLINE SUPPORT	RECORDING OPTIONS

We keep up with the times so that you can organize your events safely and professionally, even today. **HYBRID CONFERENCES** allow you to interact with your guests almost as normal, whether they're participating onsite or attending online. Using the unique gCon platform - www.gcon.cz/en, to connect your guests, and you can host your conference in one or more halls at the same time without any technical restrictions.

WHAT DO WE OFFER?

- ▶ A stable connection with your audience from the comfort of home without them having to install any software
- ▶ Online support and trial presentations before the event
- ▶ Secure protection of any transmitted data
- ▶ The option to add a virtual room or exhibition stand with facilities for online communication
- ▶ Online chat zones and meeting points
- ▶ The option to add an online poster section
- ▶ Recording of all streams and the option to subsequently use the recordings after the event
- ▶ Recording and storage of live presentations and post-presentation discussions
- ▶ Connection to our Interpretation HUB
- ▶ The use of 3D technology to host 3D Hybrid Conferences
