

# EVENTS AT THE PRAGUE CONGRESS CENTRE UNDER CURRENT EMERGENCY MEASURES

We appreciate you being with us, and therefore we're following the highest possible hygienic standards in order to maintain a safe environment for all of our clients and employees.

## We provide:

- ▶ Regular and thorough disinfection of the premises, especially high contact areas, such as the reception desk, elevators, and door handles
- ▶ Disinfection gels in every restroom
- ▶ Leaflets in public areas and restrooms with helpful information about the new hygienic measures
- ▶ Air conditioning that isn't based on standard circulation, but rather a system of continuous fresh airflow throughout the premises
- ▶ Strict safety precautions for all PCC employees (face masks, temperature checks, etc.)

## We offer:

- ▶ Disinfection at entrance and health screening, we have procedures to handle people with COVID-19
- ▶ Creation of separate corridors to maintain social distancing for registration and access to meeting rooms
- ▶ Contactless registration for newcomers
- ▶ Halls with ample space to accommodate our clients while still following all governmental health regulations
- ▶ Spacious foyer that can be adjusted according to your needs
- ▶ Innovative solutions – hybrid presentation system, virtual TV studio for recording or streaming with high cyber security standards
- ▶ Discounts on AV equipment
- ▶ Healthy catering options which include vitamins and local seasonal products with F&B guidance
- ▶ Possibility of disinfection of furniture during event breaks
- ▶ Several entrances into the building that can separate the flow of visitors
- ▶ Plenty of parking space and separate access from the parking areas
- ▶ Easy access to public transportation - by metro, bus, or tram
