

PARKING

Traffic and Parking Restrictions

During the Construction of the New Exhibition Hall

SHORT-TERM PARKING (for congresses, concerts and events):

- **North Parking:** 74 parking spaces available
- **Parking C:** 24 parking spaces available

COACHES — Drop-off / Pick-up and Parking:

- Coaches may **stop** in the right-hand traffic lane next to the LPG station for passenger drop-off and pick-up. They must then exit via the designated route around Parking C
- Coaches may **stop** beyond the barrier next to the central traffic island. Entry is permitted only upon instruction from the dispatcher. **Exit is by reversing only** into the petrol station area
- **Two dedicated coach parking spaces** are located **along the wall** at the exit from the petrol station

TAXI STAND

- Two taxis may wait **beyond the fire barrier on the right**, between Entrances 8 and 9

COURIERS

- Courier vehicles may stop **beyond the fire barrier on the right**, between Entrances 8 and 9

SUPPLIERS

Supplier vehicles may stop for loading and unloading

- **beyond the fire barrier on the left**, between the PCC and BCV buildings
- between Entrances 7 and 8
- in the underground garage on the left-hand side of the exit, where 8 parking spaces are available

Access to the hotel terrace is from Na Pankráci Street and is restricted to vehicles with a maximum height of 3,4m.
